## Securing Our Future Economic Mobility Summit Rescheduled to December 5, 2022

On Dec. 5, 2022, the Palm Beach County Citizens Advisory Committee and the Birth to 22 Alliance will host the Securing Our Future Economic Mobility Summit at the Palm Beach County Convention Center, 650 Okeechobee Blvd., West Palm Beach, 33401, from 9 am to 4 p.m. Government, nonprofit, foundation and business leaders are invited to attend this event.

The goal of the summit is to bring systems leaders together in support of families that are unemployed or underemployed. To facilitate opportunities to strengthen local plans, organizers will match local workshop presenters with national thought leaders with similar expertise. Each workshop will provide information about ways organizations can work collaboratively to support families as they advance economically. Workshops will focus on levers for upward economic mobility within the following systems: housing and homelessness, employment, child care, education, safety and justice, food and hunger, health and transportation.

During this summit, organizers will also:

- Report progress on the [Securing Our Future Initiative](#)
- Present findings from the [Economic Mobility Report](#)
- Share potential updates to the Health and Human Services Element of the county's comprehensive plan
- Engage system leaders in discussion about ways to improve health and human service supports to promote economic mobility
