

## Community ID of the Palm Beaches

The Community ID of the Palm Beaches is for ANY resident who may have limited access to government issued forms of identification, and for those who support a diverse and inclusive community.

It is not a government issued form of ID or a driver's license, but it is a verifiable form of identification that says you are a part of our community. It can be used within your community to gain access to essential services and as a tool to better identify, serve, and protect you.

## Your Community. Your ID.
