ANNUAL MAYORAL RIDE ALONG

On Saturday, February 22, 2025, the City of South Bay celebrated its Annual Mayoral Bicycle Ride Along with members of the community, local law enforcement, fire servicemen, and neighboring Tri-City community leaders and residents. With a law enforcement escort provided by the Palm Beach County Sheriff's Office, riders rode along the scenic route of South Bay, Florida taking in the beautiful views of the City while learning about its rich history and culture.

The Ride Along provided the opportunity for City leaders to share with the riders about nature, its ecosystem, science, conservation, and the City's historical landmarks, all while exercising and having fun. It also provided an informal opportunity for residents and community leaders to come together to facilitate the sharing of openness, love, responsiveness, and transparency. The ride along commenced with a healthy breakfast and community fellowship where the participants were catered to by city staff.

On behalf of the City of South Bay Mayor Joe Kyle's, the City Commission, leadership, and staff, thank you for taking part in this wonderful event and being the best part of South Bay.
