

May 2019

Mental Health Awareness/Trauma Informed Care Month

Please join this free, inspiring event watching the ***Broken Places*** documentary. Viewers are given a unique time-lapse perspective on how trauma that children experienced shaped their lives as adults. ***Broken Places*** interweaves these longitudinal narratives with commentary from a few nationally renowned experts in neurobiology and early childhood development in order to illuminate the potentially devastating impact of childhood adversity as well as the factors that can foster resilience.
