

Open Enrollment for the Health Insurance Marketplace ends next Wednesday, January 15

Consumers can call/text us at the numbers listed on the flyer below or make an appointment directly using the Connector scheduling tool <https://widget.getcoveredamerica.org/>.

We are available in South Bay, Belle Glade, and Pahokee all week and are opening evening and weekend appointments too.

There is a language assistance line, so we can help residents that speak all languages.

After January 15th, individuals can still enroll but must have a qualifying life event.
