

Business Operations

Gain in-demand business skills... in only one year!

Jump-start a career in management! Enroll in Palm Beach State's Business Operations certificate program and learn organization and management skills prized by businesses and entrepreneurs.

The program also covers competencies in human relations, software use and general business knowledge. Plus, your earned college credits may be applied to other PBSC business certificates and the Associate in Science (A.S.) degree in Business Administration and Management.

Get ahead with year-round, flexible classes:
On-site Classes + Online

Attend classes on the Belle Glade campus and complete additional coursework via online sessions. Some courses are offered fully online.
