**Next Step: A Program for Women 18-25 Seeking Employment**  
**This highly successful program is being offered again!**

Next Step is a 10-week program that:

- Builds confidence as the women learn about their strengths and abilities
- Teaches basic career building skills – resume writing, posting for jobs, networking
- Focuses on social media and professional communication skills
- Invites community leaders and recruiters to come and speak to the class
- Conducts mock interviews to help develop strong interviewing skills
- Provides all participants with interview outfits
