

Energy Inefficient

Energy Efficient

WOULD YOU LIKE YOUR HOUSE WEATHERIZED?

Our Weatherization Assistance Program is designed to increase the energy efficiency of homes occupied by low-income residents. The purpose of the program is to reduce energy costs of heating and cooling and improve the health and safety of families. This service is free of charge.

Weatherization may include, but is not limited to:

- Making sure heating and air conditioning systems are working properly
- Sealing the holes and cracks around windows, doors, and pipes
- Air condition repair or replacement

COUNTIES WE SERVE

Broward, Collier, Desoto, Glades, Hardee, Hendry,
Highland, Indian River, Lee, Martin, Okeechobee,
Palm Beach, & St. Lucie

Specific Weatherization repair/replacements are determined by the funding source
*Please note if you are LIHEAP approved or someone in the household receives Supplemental Social Security (SSI) or Transitional Assistance to Needy Families (TANF) your income automatically qualifies your household for Weatherization with approved supporting documents.
