The Lawrence E. Will Museum Opens

The Lawrence E. Will Museum is undergoing a reorganization and will be reopening to the public soon. Belle Glade native, Cheryl R. Stein, is the new director. She is excited to be able to showcase Belle Glade's unique and interesting history that begins with the prehistoric People of the Water who inhabited the Glades thousands of years ago. Displays include the various artifacts found on Belle Glade Mound, the history of the early pioneer families, old farming tools and implements, the bow of the Mindanao passenger boat, and a photographic display of the 1928 hurricane. Patty Hood has an outstanding display of antique medical equipment-some of which was used at Glades General Hospital. The Art Gallery room will be used for art exhibits and other cultural interests.

A special tribute for the military Veterans of Belle Glade, as well as the athletes who honed their talents and abilities in Belle Glade is being planned.

If you would like to visit the museum, please call Mrs. Stein at 561-996-0100.

There is no admission fee, but donations will be much appreciated.

Chamber Year in Review

The Chamber had another great year. In 2018 we went through many changes, adding new programs, renovating our office and we even tried out a couple of new networking opportunities for our members. We didn't go through quite as many changes in 2019, but none the less stayed very busy. In January, we sold advance South Florida fair tickets which is a huge fundraiser for us. We ended up selling out of tickets and unfortunately had to send customers to other locations. In April, we celebrated the end of the Harvest season with the Black Gold Jubilee, a very successful event with Nashville recording artist, John Michael Montgomery featured as our headline entertainment. We had a record number of people attend the Jubilee in 2019 and hope that you were one of them. This event is popular because it offers free entertainment, free rides for the kids, volleyball and corn hole tournaments, food and craft vendors and a host of other activities during the preceding week. In May, we held our 20th annual Golf tournament and in July celebrated the 4th of July with an evening of music by the Motowners and fireworks. In August, we welcomed back over 140 Glades area teachers and administrators and were honored that Palm Beach County School Superintendent, Dr. Donald E. Fennoy could join us. September kicked off our 2019/2020 Leadership Glades class, and we were off to the races in October with our Kentucky Derby themed annual awards banquet where Steve Prielozny was named Citizen of the Year and Paul Grose as our Agri-Industrial Man of the Year. December brought our year to an end, but not before we celebrated the holiday season with the annual Holiday Mixer which was held at the Bank of Belle Glade. Of course, none of these things would be possible without the help of our many sponsors, members and supporters. There are too many to list, but we know who you are and just want to say...

THANK YOU!!

Pirates of Penzance
Monday, February 16, 2020 at 7:00 PM • \$35 Adults • \$15 Children/Students

Frederic is the erstwhile apprentice of these sentimental pirates who, now that he is 21 years old, has decided to devote himself to the extermination of piracy – until he discovers, in another Gilbertian twist, that his 21st birthday won't occur until the distant date of 1940 because he was born in leap year on Feb. 29th. Kissing romantic Mabel Farwell, he must return to his former colleagues after discovering that her father, Major-General Stanley, has lied to the Pirate King about being an orphan, the well-known secret for any captive to obtain mercy. The pirates seek revenge for having been played, easily defeat a band of duffers and out-gunned policemen, and then yield "in Queen Victoria's name" when it is revealed that they are all noblemen who have gone wrong.
