

Good Afternoon,

The Alzheimer's Community Care Annual Educational Forum is just around the corner.

This year's event will be held at PGA National in Palm Beach Gardens. The one day event will feature experts in the field of Alzheimer's disease and related neurocognitive disorders discussing trends, strategies, and insight into professional and family care giving.

Speakers at the Forum Include:

- **Dr. Mark Brody - *The Latest on Prevention and Treatment of Alzheimer's Disease*** Founder of Brain Matters Research, one of the largest, most respected private clinical research facilities in the country specializing in Alzheimer's Disease diagnosis, treatment and prevention.
- **Margaret A. Pericak-Vance, Ph.D. - *The Alzheimer's Disease Sequencing Project*** Director of the John P. Hussman Institute for Human Genomics, and a Professor of Neurology at the University of Miami Miller School of Medicine (UMMSM).

- **Teena Cahill, Psy.D. - *Laughter and Lessons from a Caregiving Veteran*** Respected expert, educator, speaker, humorist, and author on to topics of leadership, health & wellness, productivity, contribution, and success.

(CEUs & CME will be provided to professionals)

The speakers we have lined up are sure to make this the premier event for medical professionals, professional caregivers, family caregivers, and advocates who are interested in Alzheimer's disease and related neurocognitive disorders in Florida.
