## Free Grab-and-Go Food Distribution Now on Thursdays

**WEST PALM BEACH-** The School Food Service grab-and-go food distribution has changed. Rather than a twice-a-week pick-up, distributions will now be held weekly on Thursdays at [89 school locations](#) across the District.

Parents/guardians will receive a box of pantry-style foods including a supply of breakfasts, lunches, snacks, and suppers intended to last for seven days.

Pick-up times vary by location. For a full list of locations and pick-up times, [click here](#).

All children 18 years of age and younger (22 and younger for ESE) are eligible for the free meals, regardless of financial need.

Children do not have to be registered in a School District of Palm Beach County-operated school to receive food. Parents do not need to visit their child's school for food distribution, they can visit any location of their choice. Distribution times and locations are subject to change.
