

See message from the Back to School Bash Committee:

Dear Community Partners,

We're excited to announce that the vendor and service providers registration for the 2025 Back to School PBC! event is now open. As we gear up to support our local students, we invite you again to join us in making a difference in their lives.

If you're interested in participating as a vendor or service provider, please complete the attached registration form and return it to William Wynn at wwynn@pbc.gov by **June 6, 2025**.

By signing the form, you agree to abide by the event rules and timeline if selected to participate. Waivers will be sent once the final list of vendors/service providers has been finalized.

Please note that due to limited space, our Planning Committee will carefully review all registration forms to align with the needs of attending families. Notifications of confirmation will be sent out by **June 27, 2025**. To ensure clarity for our committee, please specify the services, resources, items, and giveaways your organization plans to provide. For organizations offering services, please indicate the number of staff/volunteers attending and ensure your contact information is included on the form.

Please note that vendors or service providers are not permitted to solicit names or contact information from event participants or parents. Selling products or services is strictly prohibited during the event.

We appreciate your continued interest and support for our community.

Should you have any questions regarding the provision of services and resources at any specific site, please feel free to reach out to the respective individuals listed below:

1. Convention Center: Chrystal Mathews at cmathews@pbc.gov or Ruth Moguillansky at rmoguill@pbc.gov
2. Village Academy: Lindy Harvey at lindy@spiritofgivingnetwork.com
3. Palm Beach State College: Derrek Moore at DMoore@pbc.gov or Houston L. Tate at htate@pbc.gov
4. Edna W. Runner Tutorial Center: Travis Conway at t.conway@ewrunnerctr.org

Thank you for your ongoing dedication to our community and your support of Back to School PBC!

With gratitude,

The OCR Team
