Montana Repertory Theatre Returns to the Dolly Hand with *On Golden Pond*

One of the most dynamic and respected touring companies in the country, Montana Repertory Theatre, will present *On Golden Pond* at the Dolly Hand Cultural Arts Center on Friday, March 23, 2018 at 7:30 pm.

On Golden Pond is an American treasure. Many of us are familiar with the story through the Academy Award-winning film adaptation starring Henry and Jane Fonda and Katharine Hepburn. Others have attended one of the literally thousands of stage productions this extraordinary play has received over the years. Beguilingly simple, this humane, poetic, and often very funny portrayal of a family in crisis as it pulls apart and then finds itself again has been touching audiences for decades. Something deep and profound resonates through the events that unfold in this American masterpiece brilliantly penned by Ernest Thompson. We all have mothers and fathers, we all cope with aging, and we have all experienced being lost—and hopefully found. It is this dynamic, this finding of family and the love therein, that keeps *On Golden Pond* forever relevant.

Montana Rep was established as a professional touring company in 1967, providing professional theatre at an affordable cost. The company assembles principle actors, directors, and designers with prestigious credits, including Broadway, Off-Broadway, national tours of Broadway shows, and major regional theatre credits.

The Dolly Hand Cultural Arts Center is located on Palm Beach State College's Belle Glade Campus at 1977 College Drive in Belle Glade.
