

In the fall of 2020, United Way of Palm Beach County received a \$10 million gift from MacKenzie Scott. After working with a consultant to do extensive research, interviewing local leaders, and seeking input from the community, we identified two areas that funding was urgently needed in our community: ongoing hunger relief efforts and a better system of supports for veterans.

The overall goal of the MacKenzie Scott funds for the Hunger Relief Initiative is to alleviate hunger in the short-term while also promoting Palm Beach County residents' self-sufficiency in the long-term. To learn more about what this means for hunger relief organizations and Palm Beach County residents, please join us for a virtual lunchtime presentation!

On Wednesday, June 22nd at noon, we will be providing a high-level overview of United Way of Palm Beach County's MacKenzie Scott gift and how it will be used for the Hunger Relief Initiative. We will review the strategic plan for Hunger Relief, anticipated projects, and anticipated funds. You can **[register for the presentation by clicking here](#)**.

Can't make it on the 22nd? We'll be recording the presentation to share afterwards. **[Send us an email](#)** to let us know you'd like to see the recording when it's available.
