

Know the effects of fracking in Florida's unique geology!

Understand why drilling can occur under homes and public lands!

Become familiar with the consequences of Fracking in Florida!

LEAGUE OF WOMEN VOTERS®
OF PALM BEACH COUNTY

Invitation to Attend

The LWVPBC's Environment Committee invites you to attend an informative presentation on the various effects of drilling for oil in Florida. Due to an upsurge in permit requests, residents must be aware of how fracking will:

Affect our water supply

Affect wetland habitat

Affect endangered species

Inappropriate Oil Drilling and Water Don't Mix Update to Oil Legislation

Thursday, Oct. 27, 5:30 - 7:30

Summit Library

3650 Summit Blvd,

West Palm Beach, FL 33406

Contact: Lorraine Zimmerman, PLZimm@bellsouth.net

Oil Drilling/Exploration may be in our back yard!

ACTION!

Lobby State Legislators to support revised oil and gas laws!

Provide greater regulatory oversight

Increase transparency

Protect drinking water

Preserve quality of life

Jennifer Hecker

Jennifer Hecker, Director of Natural Resource Policy for the Conservancy of Southwest Florida, will explain oil and gas extraction methods in Florida

along with its impact on water and wildlife.
