Office of Minority Health and Health Equity Bill Signed into Law

On June 18, 2021, [HB 183](#)/Office of Minority Health and Health Equity was signed into law by Governor DeSantis. Sponsored by Representative Kamia Brown (D-Ocoee), it aims to close the gap in ethnic and minority health disparities by outlining the focus areas of the Office of Minority Health and Health Equity (OMHHE). The OMHHE has received \$9.2 million in funding in this year's budget. The new law requires that the OMHHE include specific

information on their website, such as links to resources for minority populations, resources for providers, and data on health disparities and issues affecting minority populations.
