The Herizon Letter of Inquiry for the 2022–2023 grant cycle is due on Friday **September 9, 2022 by 4pm**. Please carefully review the [grant guidelines](#) on our website prior to applying.

Please note the following information:

- Herizon has identified financial security and economic empowerment for women and girls as its priority issues for the 2021 – 2026 grant cycles. All of Herizon’s grantmaking will focus on supporting and promoting social change in these critical areas. **For the 2022–2023 grant cycle, projects/organizations addressing reproductive rights, housing insecurity, and affordable childcare will be given priority.**
- Herizon will provide general support funding, but only to organizations whose overall mission is explicitly focused on the topics mentioned above.
- Our grant cycle is open to any registered 501(c)3 in the US who meets the criteria listed in our grant guidelines; Israeli organizations must be formally invited to apply.

Letters of Inquiry must be received by 4PM Friday, September 9th (ET). To download the LOI guidelines and requirements, click [here](#).

We welcome you to contact our office with any questions related to our grants process or with specific questions regarding LOI submissions.

Thank you in advance,

Holly Carotenuto, *Grants and Program Manager*

Brenda Korach and Bonnie Weissman, *Grants Committee Chairs*
