Palm Beach County is hosting a community meeting on Thursday, August 31, from 6-8pm to discuss its Climate Risk and Assessment Action Plan. The Assessment will evaluate various climate risks that affect the County's critical assets. The public is invited to attend the meeting to view the presentation, ask questions, and provide input. Please be a part of this conversation; the voices of the Glades need to be included in this plan.

Refreshments will be ordered from Muck Tavern.

Palm Beach County Climate Risk Assessment and Action Plan Community Workshop

**Join us In-person on August 31, 2023
