

# A Book for EveryChild

Summer is right around the corner and the school year is coming to an end, but reading is still in! To encourage summer reading, every child in public elementary schools in Palm Beach County will receive a free book this month courtesy of Children's Services Council of Palm Beach County. Each elementary school in the Palm Beach County School District, as well as each K-5 charter school, will receive enough books so every child can choose a book.

When your child brings home their new book, make sure to go to our **EveryParent** website and free mobile apps for summer reading tips and videos. Check out these sample articles and videos from **EveryParent** on how to keep your child reading and learning all summer ...
