**CONVERSATIONS WITH THE LEAGUE:
Why Care About Solar?**

March 3, 2021

6:00 PM via Zoom

Diane Marks

Diane has been active in LWV PBC since 2014 as Secretary of the Board, on Voter Services, Finance, Budget, Special Events Committees and the Environment Issue Group. In 2017, she was invited by Deirdre Macnab, Environmental VP for LWVFL, to run a Solar Co-op in PBC. An organization named Solar United Neighbors (SUN) was creating these Solar Co-ops in 5 different states. They wanted to start in Florida and Deirdre said the Leagues would help. Leagues from most counties in FL have run 55 Co-ops and gotten several thousand people to put Solar panels on their homes. PBC started their 3rd Solar Co-op on January 15th. This one will be virtual with 4 Information Meetings on Zoom.
