# FLORIDA ARCHAEOLOGY MONTH LECTURE SERIES

Presented by PBC Parks and Recreation  
Cultural Historical Outdoor Recreation

## LIDAR OVER THE GLADES

March 7, 2026 | 2:00pm  
Belle Glade Branch Library  
725 NW 4th St, Belle Glade, FL 33430

What secrets are hidden in your neighborhood from 2,000 years ago? People built enormous earthworks—mounds and shapes as grand as any Pyramid—and with aerial images and Lidar, we'll uncover these hidden wonders in the Everglades.

Presented by:

Bonita Lee, MSEE, BSEE, Digital and Landscape Archaeologist

Stop by the Florida Public Archaeology Network (FPAN) booth prior to the lecture and join the Community Conversations on heritage sites at risk. No registration required.

### Everyone Benefits from the Power of Parks!

Through engaging lectures led by local archaeologists, participants discover new knowledge and perspectives about Florida's history. These programs encourage lifelong learning and provide meaningful experiences that enrich overall quality of life.
