TAKE ACTION TO CONTROL DIABETES

VIRTUAL Diabetes Self Management Program

Do you or someone you care for have diabetes or prediabetes and would benefit from learning self-management strategies? Join a small group of adults in a community settings for *2½ hours, once a week* for *six weeks*. The Diabetes Self-management Program classes are led by trained community health educators. Get peer support. Learn self-management and problem-solving strategies, chose your own goals and make personalized step-by-step plans to live a healthy life with diabetes. Gain skills and confidence needed to achieve lifestyle improvements and become an expert dealing with your chronic health condition.

Learn topics including:

- Healthy eating
- Techniques to deal with the symptoms of diabetes
- Appropriate exercise for maintaining and improving strength and endurance
- Appropriate use of medication
- Working more effectively with health care providers

- ⇒ No cost to participate
- ⇒ 6 weekly 2 1/2 hour sessions
- ⇒ Small groups led by 2 trained peer leaders
- ⇒ Weekly action plans
- ⇒ Open to YMCA members and non-members (must live local to South Florida area)
