At **Camp Stingray**, campers have one thing in common – they all know what it is like to experience the death of a loved one. **Camp Stingray** provides a support system for children ages 5- 10 residing in Palm Beach and Broward Counties who are grieving the death of a loved one. We spend time together learning to cope with our grief through peer support and fun activities with trained counselors.

Camp Stingray is open to children who have experienced the death of a loved one more than 3 months ago, as of the date of camp.
