

## **Charles Duval Appointed to Assistant Vice President at CareerSource Palm Beach County**

*West Palm Beach, Fla. (Nov. 9, 2018)* –Charles Duval has been appointed to Assistant Vice President at CareerSource Palm Beach County, the nonprofit organization chartered by the state to lead workforce development in the county. The appointments are effective immediately.

Mr. Duval previously served as Director of Corporate Partnerships and Business Solutions at CareerSource. He has overall responsibility for the organization's operations in western Palm Beach County, including the West Career Center in Belle Glade. He also maintains productive relationships with industry, business, government and community agencies in the western communities.

"Charles plays a leading role in our collaborative efforts to increase employment and economic development in the Glades communities. Businesses and career seekers in the western communities are especially important to CareerSource because of the critical service needs there," said Steve Craig, President and Chief Executive Officer of CareerSource Palm Beach County.

During the past 5 program years, CareerSource has helped place 9,100 Glades area residents into jobs and provided \$935,000 in training funds to local employers and residents.
