ACTION ALERT

**ACTION REQUIRED: Tell Your Congressional Delegation
to Weigh in with House and Senate Leadership
to Extend Free Breakfast and Lunch for All Students**

House Representatives Josh Gottheimer (D-NJ), Katie Porter (D-CA), and Abigail Spanberger (D-VA) led an effort last week that generated a bi-partisan [letter](#) from 48 Members of Congress to House and Senate leadership urging an extension of federally-provided school breakfast and lunch to all qualifying schools in the upcoming government budget funding package/the Continuing Resolution. Congress continues work to finalize the Continuing Resolution which must pass before October 1.

It's time to stand up for child nutrition. Please contact your Congressional delegation and ask them to weigh in with Leadership. Find your Member [here](#) and Senators [here](#); you can locate contact information for your Representative's office on their website, or call the Capitol Switchboard (202-224-3121) and ask to be connected.

Hungry children can't wait.
