The PSA is available in English, Spanish, and Creole and can be used widely by organizations such as businesses, food distribution sites, and social service agencies.

CHILDREN AND FAMILIES

- **Food for Kids Survey**

Developed a short, online survey for parents to help us identify the best ways to improve food resources delivery in PBC based upon parent input. We want to ensure that children and families have access to food as the pandemic continues and schools are not open and beyond. Link to survey: <http://survey.pbcgov.com/s3/PBC-FOOD-FOR-KIDS>

Information will not be used for any other purpose and is strictly confidential.
