

# Presidents and Their First Ladies, Dramatically Speaking: Ronald and Nancy Reagan

Ronald Reagan may seem to have had the most unusual background of any American President but he actually came to the office with great executive experience having headed the Screen Actors Guild union and then state of California as Governor. His eight years as President were filled with notable events: the beginning of the collapse of the Soviet Union, a tremendous economic recovery, the rise of Islamic terrorism, and the Iran-Contra affair. Beside him was his loving wife Nancy who had to struggle being mother to a blended family, suffer through the assassination attempt on her husband, and eventually deal with her own physical difficulties. Theirs is truly a great love story.

The story of Reagan's time in the White House with his wife Nancy is brought to life by the veteran acting and writing team of husband and wife William and Sue Wills.

Their engaging performance is a "must see" for history buffs, students, and anyone interested in human-interest stories.

Seating for this free, one-hour program is limited.  
(60 min.)

Preregistration begins  
Tue, Jan 05, at 10:00 am, in person,  
or online at
