LEADERSHIP ENGAGE

**Applications for the Leadership Engage Class of 2021 are officially OPEN!**

Each year's Engage class is made up of 50-55 motivated, informed and diverse professionals who are selected for their leadership and service within Palm Beach County and beyond. Participants meet for one full-day each month, from September to May, and travel as a group on a bus to all parts of the county as they explore program topics such as agriculture, public safety, and healthcare.

The program offers participants a powerful new network and a transformative learning experience. Participants also gain an understanding of the ways in which they can make effective and significant improvements in our area.

## 2020 Leadership Excellence Awards

### Now accepting nominations for the 2020 Leadership Excellence Awards!

The Leadership Excellence Awards celebrate individuals who are active examples of the vision and mission of Leadership Palm Beach County - nominees aspire to connect, collaborate, and change. We award three individuals each year; one in each of the private, public, and nonprofit sectors. Our LEA recipients are then honored at the annual Leadership Celebration in June.

If you know of a Leadership Engage graduate who you think deserves a Leadership Excellence Award, nominate them! Please follow the instructions on the [nomination form](#) and submit it electronically to [millie@leadershippbcc.org](mailto:millie@leadershippbcc.org) along with at least ONE Letter of Recommendation from a colleague, not including the nominator.

Please submit all nomination forms by February 24, 2020, at 5:00 pm.
