[How to Protect Your Small Business from IT & Cyber Attacks](#)

58% of cyber attack victims in 2018 were small business owners. Small businesses are attractive targets for cybercriminals because they have valuable financial information, are typically lacking in IT and security expertise, and have fewer resources than larger enterprises.

The Three Biggest Mistakes Business Owners Make... and How to Overcome Them All!

There has never been a better time to start and build your own business... and never have you been able to get started with so little money. Do you know what Apple, Amazon, Google, and Disney all have in common? They started in a garage!

SCORE Palm Beach County
TO START OR GROW YOUR SMALL BUSINESS

SCORE is a nonprofit association dedicated to helping small businesses get off the ground, grow, and achieve their goals through education and mentorship. We have been doing this for more than 50 years.

Because our work is supported by the U.S. Small Business Administration, and thanks to our network of 10,000+ volunteers, we are able to deliver our services at no charge or at a very low cost.
