APPLICATIONS FOR
2018 – 2019
EMPOWHER LEADERSHIP
ACADEMY FOR GIRLS
NOW OPEN

I can hardly believe that more than 3 years ago the Leadership Academy was just a myth. Less than 6 months later, we welcomed our first class of 20 amazing young ladies.

I am so proud of all the incredible accomplishments of each young lady and of our alumnae. I am proud of our mentors who work tirelessly month after month, with our young ladies to assist them in their endeavors. I am thankful to the EmpowHER Board and Team for their support. I am grateful for all of the families and communities that have supported our vision of creating a safe space to educate, to nurture, to empower and of course, to inspire this next generation of leaders in Palm Beach County and the world.

I was overcome with emotion seeing the first graduating class of leaders being accepted into universities and colleges in and around Florida as well as the United States. These young ladies are determined to make their mark in the world. I could not feel any more honored and proud of the work they have done to accomplish their goals and achieve their dreams of being powerful leaders.

I know it's just the beginning. Each leadership class continues to strive for their personal best because that is all I ask of them for this great gift of leadership through exposure – their personal best. Each leadership class continues to bring positive change to their communities, their families and of course to themselves because what I know for sure is the Academy continues to be the key to transforming lives. I know too, that when you educate a young lady, she takes what she learns back to the community in which she lives. When you invest in a young woman, you are investing in the future. Each of these young ladies is a symbol and a beacon of light, of what is possible. One of the most rewarding things in my life has been to see them blossom at discovery and into the women I knew each could become when I first saw them.

Thank you to the leadership and to all who continue to support the Academy and EmpowHER. Our work continues.
