Brief

PALM BEACH COUNTY
DISTRICT 6 COMMISSIONER

It was my honor to have known Mayor Fred Pinto, and call him a friend. His passing was a great loss to our community, but we will continue to honor his legacy, as residents will be able to connect with County resources at the Midwestern Communities Service Center, which will soon bear the name of Mayor Pinto.

Please join me, my fellow County Commissioners, county officials, and honored guests at the dedication of the building and unveiling of the plaque honoring Mayor Pinto's memory and long career of public service.

My best,
Sara
