250 Residents Receive New Air-Conditioning Units with Palm Beach County Community Service's Program Launch

The Crisis Heating Ventilation and Air Conditioning (HVAC) Replacement Program, through LIHEAP (Low-Income Home Energy Assistance Program), is working to assist low-income Palm Beach County homeowners in need of replacing their home's air-conditioning system, with assistance of up to \$15,000.

Clients must be income eligible, live in Palm Beach County, and are required to show that they are in a crisis situation. Completed applications must show one or more of the following:

- Must be a homeowner in an owner-occupied home or apartment
- The HVAC system no longer cools
- HVAC unit is 10 years or older
- Proof of high energy bills
- Proof of life threatening environment via a doctor's statement

To date, this program has assisted 250 homeowners with replacing the HVAC system in their homes. Apply today!

For program guidelines and to apply for assistance, please visit <https://www.utilityassistancepbc.org/> or call 833-CSD-WILL (833-273-9455).
