**Date & Time:** April 30, 2025, 6:00pm EDT

A nonprofit grant is a sum of money given by a government, corporation, or foundation for a specific purpose and used to further the mutual mission between the grantee and grantor. This training provides a comprehensive overview of the process for developing a standard nonprofit grant proposal that can be used multiple times to pursue funding. Because the grant proposal serves as your template for grant applications, EVERY nonprofit should have one!

This course is designed to help pre-startup, newly formed, and small to mid-sized nonprofits position themselves for grant funding opportunities. Suitable for all levels of experience.
