

## End Year Orientation Dates

Hello Potential Mentors,

We are actively recruiting at least 60 new students to receive a **Take Stock in Children college scholarship**. **WE NEED YOU TO MENTOR. All our students must have a mentor first before they can receive their scholarships.** Our mentors are mentoring virtually this year, but when and if we go back into the schools, you would mentor at the student's school during his or her lunch period. Mentoring is simple and the commitment is minimal. Mentoring takes place once a week during the school year at least three times a month for a minimum of 20 minutes for each session. We need caring individuals that can give back to our community and our kids and make a difference. If you are interested in attending a mentor orientation and getting started, please complete an online application at [www.takestockpalmbeach.org](http://www.takestockpalmbeach.org). The next three orientations are as follows and let me know which orientation you can attend. Thank you for your time and support and if you have any questions, please do not hesitate to contact me. Take care.
