BEFORE, DURING & AFTER BABY

A MATERNAL MORBIDITY AWARENESS WORKSHOP

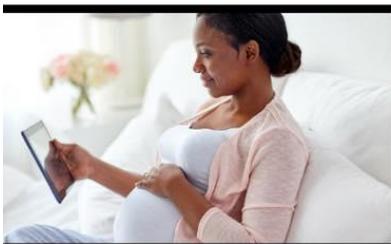

This event is focused on preventing serious health complications that can occur from preconception through the first year postpartum. This event promotes awareness, early intervention and empowered healthcare conversations.

WHAT YOU WILL GET:

- ✓ Free workshops for moms + moms-to-be
- ✓ Practical guidance from doctors, doulas, and nurses
- ✓ Help connecting to supplies, referrals, and support services

Wednesday
April 15, 2026
5:30 PM – 7:30 PM
