

Clerk & Comptroller's DIY Videos are Your Guide to Understanding the Court System

Navigating the legal system can be overwhelming, especially when you are representing yourself in court.

Please know that my office is here to help!

Our DIY On Demand video series gives you a step-by-step guide to the legal process, providing you with all the information you need to help represent yourself in court. Videos are available on a variety of topics, including:

- Divorce;
- Eviction and Landlord/Tenant Disputes;
- Child Support Enforcement;
- Collecting Money Judgments; and
- Sealing or Expunging Criminal Records.

Our DIY videos can be viewed from anywhere and at any time. Our complete video library is available on-demand on my office's YouTube Channel, www.youtube.com/ClerkPBC.

In addition to our on-demand videos, we host monthly Do-It-Yourself in Court workshops on a variety of legal topics. The workshops are held at our four courthouse locations in West Palm Beach, Palm Beach Gardens, Delray Beach and Belle Glade. For a schedule of upcoming workshops, please visit www.mypalmbeachclerk.com/selfservicecenter.

Our DIY videos and workshops are a tremendous resource – and one of the many ways we are working every day to serve you!
