

School begins on Monday, August 13, and now is the time begin preparations for the return to the classroom. The School District of Palm Beach County has created a Back to School website with everything families need to get ready to return to District schools.

[PalmBeachSchools.org/BacktoSchool](https://www.palmbeachschools.org/BacktoSchool) is a one-stop-shop with information on finding your school and registering, health requirements and immunizations, applying for free and reduced-priced meals, this year's student and family handbook, school times, calendars and back to school news as it's available.

The Education Network (T.E.N.), the District's TV station, has posted Q&A videos to the site that address frequently asked questions about the start of school as well as safety tips for drivers and students.

School supply lists are available on individual school websites, which are searchable from the Back to School page, as well.

Bus routes will be posted on Monday, August 6, at 8 a.m.

The Back to School page will be updated as more information becomes available. Be sure to follow the School District of Palm Beach County on [Facebook](#), [Twitter](#) and [Instagram](#), and share your photos, videos and stories with us using **#MakeltSuperPBC**.
