

Complete Health Care

Palm Beach PACE is a complete health care solution for seniors who want to maximize independence and remain at home.

Our coordinated approach provides comprehensive care tailored to you and streamlines the often confusing and complicated process of health care access.

As a Palm Beach PACE participant, you'll receive comprehensive "one-stop" health care services including:

- primary medical and nursing care
- occupational, physical and speech therapy
- medications and durable medical equipment
- laboratory and diagnostic services
- all necessary prescription drugs
- skilled home care and personal care aides
- hospitalization, skilled nursing facility care, end of life care
- care from medical specialists in cardiology, nephrology, ophthalmology, dermatology, orthopedics, surgery, podiatry and more

Palm Beach PACE provides a broad range of service providers, including doctors, nurses, pharmacists, therapists and personal care aides. All staff are readily accessible, helping you or your loved one avoid the hospitalizations and illnesses that seniors often face.

Program of All-Inclusive Care for the Elderly

Quality of Life

Palm Beach PACE enables seniors to live independently at home for as long as possible through a full complement of senior care services. By focusing on each participant's unique medical needs, we more effectively address the social, emotional, medical and everyday practical challenges older adults often face. Through interactions with peers, stimulating activities, exercise, and other support services, seniors can enjoy a better quality of life in their later years.

Respite Care and Support Groups for Caregivers

Caring for an aging loved one is one of life's most difficult challenges. We offer guidance, help and support as you continue your care-giving journey. With Palm Beach PACE, you can enjoy peace of mind, knowing that your loved one is receiving award-winning state of the art medical care and other supportive services.

Program Eligibility

To be eligible for Palm Beach PACE, individuals must:

- Be 55 or older
- Reside in Palm Beach PACE service area
- Have health problems that qualify for nursing home care as determined by the Department of Elder Affairs CARES office which will perform the independent assessment that determines ultimate eligibility to the program.
- Be able to live safely in the community

Transportation

Our transportation system connects participants to the multi-functional MorseLife Campus as well as to other services in the community.

Costs

Cost for the program depends on the participant's Medicare and Medicaid eligibility. There is no cost for participants eligible for Medicaid, or both Medicare and Medicaid. For seniors who are not Medicaid eligible, there is a fee.

The program is also available to private pay participants. Participants may be fully and personally liable for the costs of unauthorized or out-of-PACE program agreed services. Simply ask us for a side-by-side comparison of our costs and those at skilled nursing facilities.

Meals

Meals and snacks are available daily with delicious hot, nutritious meals served in a comfortable group setting. Special dietary needs are easily accommodated.

About Our Program

Palm Beach PACE is a member of the National PACE Association (Program of All-Inclusive Care for the Elderly). The PACE model of care is centered around the belief that the well-being of seniors with chronic care needs, and their families, are better served in their own communities whenever possible. Palm Beach PACE is the only PACE provider in Palm Beach County, Florida.
