

Are you interested in a career in Early Childhood or Afterschool Education? Would you like to care for children in your home?

Join us for a FREE Information Session to review the requirements of local and state licensing.

We also will look at the educational pathway offered at Palm Beach State College to assist you in reaching your professional goals.

The Information Session starts promptly at 6:30 p.m.

To register for the FREE information session

Go to - palmbeachstate.edu/programs/childcare/40-hr-child-care-training
