Teacher Appreciation 2023

Teacher Appreciation 2023

This year's teacher appreciation breakfast took place on Friday, August 4th at the First Baptist Church Gymnasium in Belle Glade. Teachers from Belle Glade, Canal Point, Pahokee, and South Bay were invited with approximately 250 teachers attending.

A hot breakfast provided by Sam King, fruit cups donated by Gordo's Grill, and pastries along with coffee and juice was provided by local businesses. Each teacher received a bag full of "goodies" and many teachers won gift cards and a variety of other wonderful prizes, all provided by our sponsors.

Edward Tierney—Deputy superintendent/Chief of PBC Schools, Marcia Andrews—PBC District 6 school Board Member, and Tamey Jones—Principal of the Shepherd School in Pahokee, spoke and gave encouragement for the upcoming school year.

Several organizations such as McDonalds, Young Singers of the Palm Beaches, Glades Initiative, Education Foundation, Project Lift, Big Lake Oilers, and ACES set up tables and handed out information on resources available to the teachers.

The event lasted about two hours with teachers being recognized for the challenging work that they do. ***We truly appreciate our teachers*** and we look forward to next year - we are already planning on how to make it better!

Meet our Members!

An Interview with Kristine Murphy - Southeast Regional Director of Operations

Tell us about your business? Project LIFT is a non-profit organization that provides therapy to at-risk teens and young adults through the unique platform of vocational training. At no cost, 14-21-year-old young men and women engage in hands on training in skilled trades while licensed therapists provide mental health counseling and substance abuse treatment. This strategy, which we call “Therapy Under the Hood of a Car” features skilled mentors in auto repair, HVAC, welding, carpentry & construction, and more! Our apprentice style paid training in the skilled trades allows for job placement and a pathway to economic self-sufficiency. We also offer an on-site fully accredited high school diploma program.

Does your business have a mission/vision? Yes, Project LIFT is dedicated to improving the lives of at-risk teens and their families through treatment of substance use disorders, mental health counseling, mentoring, and vocational skills training.

Tell us about your management team. Our leadership team is made up of a diverse group of clinical, operational, and development professionals from the 3 counties we serve, including some who grew up in the Belle Glade area.

Why did you decide to join the chamber? It is our goal to connect more deeply with businesses and other service providers in Belle Glade, so that we can foster relationships and partnerships that can benefit both the youth we serve and the

businesses in the community.

Is there something special about your business that you would like to share?

More than 3000 young men and women have benefited from Project LIFT programming across Martin, St. Lucie, and Palm Beach Counties. If you would like to take a tour of our Belle Glade location and learn more about what we do, please contact us.

Name a “fun fact” about your business. Carpentry and construction students at Project LIFT Belle Glade can build picnic tables, adirondack chairs, and other custom items for your home or business. All proceeds from the sale of these items go directly back to supporting our programming.

 Palm Beach County Property Appraiser
We Value What You Value

A Message from the
Palm Beach County
Property Appraiser

We value what you value.

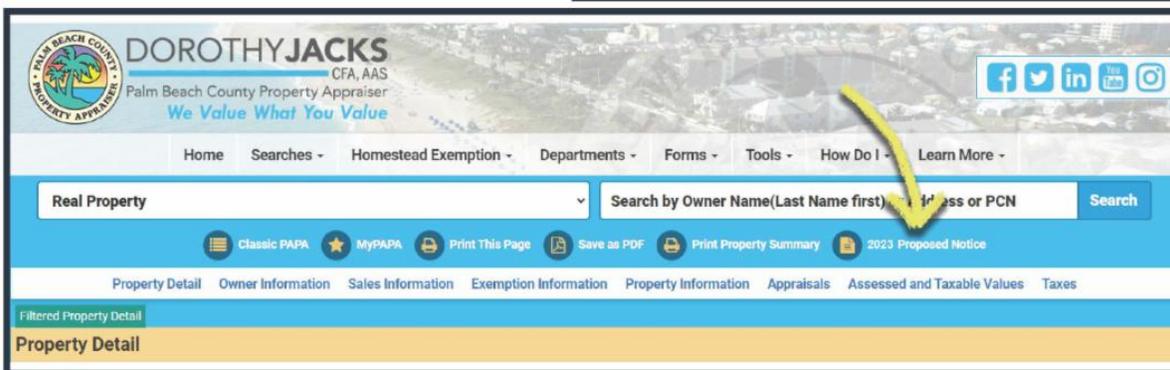

DOROTHY JACKS
CFA, AAS
Palm Beach County Property Appraiser

Dear Taxpayer:

By now, all property owners in Palm Beach County have received their 2023 Notice of Proposed Property Taxes and Assessments from my office. You can always access this information by searching your property at PBCGOV.org/PAPA, and then selecting "2023 Proposed Notice" at the top of your Property Detail page.

Palm Beach County Property Appraiser's Office

September 2023 Newsletter

The Notice of Proposed Property Taxes is not a bill, but rather an estimate of your taxes based on the proposed tax rates, your property value, and exemptions.

The next stage in the tax roll process is the petition filing period. Property owners have the option to appeal their property's assessment or denial of portability before the county's Value Adjustment Board (VAB), which is administered by the Clerk of the Circuit Court & Comptroller. Florida law sets the value petition filing period, which begins when the notices are mailed and ends 25 days later. This year's deadline to file a petition is September 12, 2023.

Respectfully,

Dorothy Jacks, CFA, AAS
Palm Beach County Property Appraiser

This month's newsletter examines the VAB process. I hope you find this information helpful.

The Value Adjustment Board Process

If you feel that the market value of your property is inaccurate or does not reflect fair market value as of January 1, 2023, or you are entitled to an exemption or classification that is not reflected on the 2023 Notice of Proposed Property Taxes, contact our office for an informal review. Call 561.355.3230 or email myhouse@pbcgov.org and we will connect you with an appraiser or exemption specialist to discuss your concerns. If we are unable to resolve the matter, you have the right to file a petition for adjustment with the Value Adjustment Board (VAB).

The VAB is administered by Palm Beach County's Clerk of the Circuit Court & Comptroller, which is independent of the Property Appraiser's Office. The Board is made up of five individuals: two from the county's board of commissioners, one from the county's school board, and two citizen members. They approve and hire special magistrates who are experienced in property appraisal techniques or legal matters to conduct

hearings and recommend decisions to the VAB for final approval. Special Magistrates will review property valuation, denials of portability, deferrals, and change of ownership or control determinations. All final rulings are determined by the VAB.

Filing a Petition

Florida law sets the deadlines for filing a petition on or before the twenty-fifth day following the mailing of the notice from our office. This year's deadline is September 12, 2023. These deadlines do not change, even if you choose to discuss the issue with our office. The VAB may charge \$15+ for filing a petition.

PDF petition forms are available on our website or online petition filing is available through the Clerk of the Circuit Court & Comptroller.

Once a petition is filed, you will receive a notice with the date, time, and location of your hearing at least 25 days before your hearing date. You can reschedule your hearing once for good cause. If your hearing is rescheduled, the clerk will send notice at least 15 days before the rescheduled hearing.

Fifteen days prior to the scheduled petition hearing, you are required to provide a list and summary of evidence that you will present at the hearing. You can submit your evidence electronically through the Clerk of the Circuit Court & Comptroller. Seven days before the VAB hearing, our office is required to provide you with a list and summary of evidence, which will be presented at the hearing.

The Hearing

At the VAB hearing, you may represent yourself or seek assistance from a professional. Some examples of professional representation might include an attorney, a licensed real estate appraiser or broker, or a certified public accountant. If someone who is not a licensed professional represents you, you must sign the petition or provide written authorization or power of attorney for your representative.

During the hearing, a special magistrate hired by the VAB will ask you to present your evidence and testimony in support of your petition. In most cases, to win a reduction in appraised value before the VAB, you must prove that the county's appraisal of your property exceeded market value and explain why. A representative from our office will then present

Jon Butz, CFE, Ag Appraiser II, at a virtual VAB hearing in 2021.

evidence in support of the property valuation, denied exemption, etc., depending on the issue. You will have another opportunity to comment before the end of the hearing.

Keep in mind, although the decision of the magistrate is binding, the hearing itself is an informal process. The VAB will mail you a written copy of its final decision. Regardless of the outcome of your hearing, you must pay all or the required portion of your taxes by April 1 to keep your petition valid and avoid additional cost and fees.

After the Hearing

The VAB must issue all final decisions within 20 calendar days of the last day it was in session. You may file a lawsuit in circuit court if you do not agree with the VAB's decision.

For more information about the VAB in Palm Beach County, email vab@mypalmbeachclerk.com or call them at 561.355.6289.

HCA Florida Palm West Multispecialty Clinic Now in Belle Glade!

HCA Florida, through HCA Florida Palms West Hospital, has opened a multispecialty clinic in Belle Glade. The expansion of services will bring the professional medical care to the Glades communities.

The newly-opened office has board-certified specialists in general surgery, heart and vascular care and gastroenterology who will see patients on a rotating basis in the shared clinic which features three exam rooms.

“No longer will people in the Glades, Hendry County and the surrounding communities, need to take a full day to come east to see the specialists they need. We are bringing these highly-skilled physicians right to them,” Palms West Hospital CEO Jason Kimbrell said. “The Glades communities have been historically underserved, and now, we are bringing world-class care to the Glades.”

To celebrate the opening, a ribbon cutting and reception was held which included Belle Glade Mayor Steve Wilson, Dr. Martin Harland, who has been practicing medicine in the Glades since the 1980s and Palm Beach County School and Palms West Hospital board member Marcia Andrews.

“I have an office out here and I’m going to be one of [the] patients,” Andrews said, “It’s about showing up and getting healthy for all of us.”

HCA Palms West multispecialty clinic is located at 1200 Main Street, Belle Glade (first floor in Dr. Harland's building).

READ WITH ME

Gove Elementary to host "Read With Me"

We are excited to announce that Gove Elementary School in Belle Glade will be hosting Read with Me! during the 2023/2024 school year.

Read with Me! is our newest initiative which allows volunteers to read to children in kindergarten classes. The Literacy Coalition provides a book and book-related activity for each child participating to take home. This is a lot of fun and usually takes from 60 – 90 minutes. There is no commitment: volunteers participate when they can. Attached is a flyer with the 2023/2024 dates. The books we'll be reading this year are *Don't Let the Pigeon Drive the Bus* by Mo Willems, *Sky Color* by Peter Reynolds, *The Very Busy Spider* by Eric Carle, *Nigel and the Moon* by Antwan Eady and *There was an Old Lady who Swallowed the ABCs* by Lucille Colandro.

We're asking you, as community leaders, to help us recruit volunteers to read at Gove. This is a wonderful way to connect community members with a local school. We guarantee both volunteers and children will enjoy this and lots of hugs will end each session! Volunteers can sign up by clicking on the flyer or clicking here: <https://www.volgistics.com/ex/portal.dll/ap?ap=562892777>.
