

**Saturday,
August 24, 2019**
***Backyard Safari:
birds, butterflies and flowers***

**Doors open at 12 pm
2-hr Workshop starts at 12:30 pm**

*Lively talk about South Florida's butterflies,
how to create a healthy & colorful garden
that's good for people & wildlife.*

Leave with free plants to start your own backyard safari!

Dr. Jaeson Clayborn is an enthusiastic biologist who loves butterfly conservation, gardening and aquaponics. He teaches at Florida International University and is President of the North American Butterfly Association's Miami Blue Chapter.
