

## Alyssa Sangeeta Jacobson Scholarship Application

We are proud to announce that a scholarship fund has been established in the name of Alyssa Sangeeta Jacobson who passed suddenly in November 2019. Alyssa brightened every room she went into and inspired her friends and family to enjoy each moment. Her smile was infectious and she had a zest for life. She took nothing for granted and strived every day to be a good person to everyone that she interacted with. Her love of learning included a desire to travel and she enjoyed doing that with family and friends.

She was a graduate of Florida Atlantic University Harriet L. Wilkes Honors College, and obtained her Master's Degree in Business Administration from Florida Atlantic University at the age of 22. Alyssa was committed to higher education and to the needs of those who struggled to achieve their educational goals. She truly believed that potential existed in every person.

This scholarship is dedicated to those who need a little extra assistance in achieving goals. Students do not have to be honor students or students that have never experienced bumps in the road – motivation to achieve is all that is required. Students who have been in foster care, homeless or involved with the juvenile courts are encouraged to apply. Extra consideration will be given to students who have participated in Future Leaders United for Change.

**Please share this application with those students pursuing college or trade certifications who you think may need this extra help with tuition, lab fees, books or living expenses.**
