

Join us for a Zoom hosted Webinar  
October 28, 2020 at 2pm

Hear our expert panel discuss insights on the virus, strategies to limit spread in communities, and the economic ramifications of the pandemic.

**Dr. Terry Adirim**

Senior Associate Dean for Clinical Affairs and Chair for the Department of integrated Medical Science, and the former Principal Assistant Secretary of Defense for Health Affairs with the US Military Health Systems.

### **Dr. Jack Michel**

Founder of Larkin Health Systems and Larkin University. Dr. Michel will discuss community contract tracing and mapping, and other technological tools to limit the spread of the virus.

### **Dr. Luis Garcia-Feijoo**

Professor at Florida Atlantic University College of Business and Development of Finance.
