

## School District Food Service Department Hiring Part-Time Assistants

Interested in working in the food service industry, but want to have your nights, weekends, and holidays off? If so, the School District of Palm Beach County School Food Service Department may be right for you. The department is hiring part-time food service assistants at schools across the county.

Most positions include a set schedule of 20-25 hours per week with a five-hour workday, which is finished by 2 p.m. This gives employees the flexibility to attend college, take a second job, or spend time with family. The District is also closed for two weeks at Christmas, as well as one week for spring break and a week for Thanksgiving.

Starting pay is \$12 an hour. Positions offer an opportunity for advancement by training and promoting from within.

Applicants must be 18 years of age or older, pass a drug screen, and a level-two background test (\$99 fee) in addition to passing a physical demand test to lift 35 pounds. Cashier and/or food service experience is a plus.
