THANK YOU FOR JOINING OUR MILESTONE

PALM BEACH COUNTY.

Our Community - Our Fight

Thank you to the generous donors, dedicated partners, and
committed sponsors who stood with us at **An Afternoon for**

Freedom in support of prevention education across Palm Beach County.

Because of you, knowledge is reaching students before traffickers do.

We were deeply honored to hear from survivor-leader and nationally recognized advocate Rebecca Bender, whose powerful testimony reminded us why prevention matters. Her voice, combined with the leadership and courage of our distinguished honorees, affirmed that our community is united in protecting children and strengthening families.

Your investment is more than support for an event; it is a commitment to early intervention, education, and hope. Together, we are equipping youth with the tools to recognize grooming, seek help, and stay safe.

We are grateful for your partnership and proud to stand alongside you in this vital work.

Join the Education is Prevention Circle

The Education is Prevention Circle was created for one purpose: to ensure that every student in Palm Beach County has access to life-saving trafficking prevention education — regardless of zip code.

When you join the Circle, you are not simply making a donation. You are underwriting prevention education in our schools. You are protecting children before harm occurs. You are strengthening families and our entire community.

Will you stand with us?
