

GANG ALTERNATIVE INC.

15TH ANNUAL

COMPASSION PROJECT

GA is hosting our 15th Annual Compassion Project in Belle Glade this year. This is a community resource fair where we'll be partnering with local vendors to provide services and information to our families this holiday season!

Turkeys will be distributed to families, on a first come, first served basis. We will have hot food, games, family engagement, and family resources.

Vendors are encouraged to bring non-perishable food items, gift cards and/or additional resources to assist us in serving families this holiday season.
