Black Gold Jubilee Booklet will also become Digital!

Although the 2022 Black Gold Jubilee is still six months away, planning has already begun!

Each year a jubilee booklet is designed, printed and distributed, but next year it will be different. In addition to having the printed booklet, there will be a digital version on both the Black Gold Jubilee Website and the Belle Glade Chamber's Website.

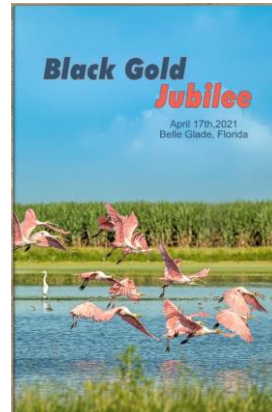

"With technology changing we want to take advantage of it and to offer our advertisers and sponsors more of a return for their investment in the jubilee" commented Lamar Weathers, booklet editor.

[Click here to see the 2019 Black Gold Jubilee Booklet](#)

The booklets from the past two jubilees have been converted to a digital format and are available to view on the Black Gold Jubilee website under the Booklet Tab, and on the Belle Glade Chamber of Commerce website by clicking on the Events tab and then the Local Events tab.

Those booklets are seen here with the link to their full digital version located below them.

The long-awaited graduation for the Leadership Glades Class of 2019-2020 took place on September 24, 2021 at the Lawrence E. Will Museum.

The 2020 pandemic prevented the class from attending the Water Management Day with airboat ride; and from completing the 2020 Leadership Program and from graduating.

Lunch was catered by Sam King, and the ceremony was followed with an opportunity (or those who desired) to receive that missed airboat ride - provided by Master Gator Airboat Tours.
