Countywide Community Revitalization Team To Hold Public Meeting March 12

The Office of Community Revitalization (OCR) invites you to the upcoming Countywide Community Revitalization Team (CCRT) meeting on Tuesday, March 12, 2024 at 10 a.m. The meeting will be held in person at the Vista Center Hearing Room 1E-60, 2300 N Jog Rd., West Palm Beach, and can be accessed virtually or via conference call if needed.

This month's guest speakers Susan Foley, Project Specialist, and Addys Guerra, Youth Coordinator, both with the Palm Beach County Behavioral Health Coalition, will present on the crucial topic of youth's substance use prevention.

The Palm Beach County Behavioral Health Coalition, dedicated to fostering healthier, drug-free community, was created to equip parents, youth and neighborhoods with the necessary tools for community wellness.

The presentation will focus on youth initiatives aimed at preventing the use of vaping, alcohol, marijuana, and prescription drugs among teenagers. With a focus on the adolescent brain's vulnerability to substance abuse, attendees will gain valuable insights into safeguarding the wellbeing of youth.

During the presentation, you will have the opportunity to learn about Youth Summits, Teen Coalition in Action, and prevention trainings designed to empower individuals to advocate for healthier lifestyles and foster positive community change.
