## ***HOT TOPIC***

### ***Urban Context Matters: Environmentally Responsible Affordable Housing***

Please join us in welcoming Chicago Architect Peter Landon as he discusses the importance of balancing context, technology, environment and economy when designing mixed-use and affordable housing developments.

***May 19, 2021***

***12:00 PM via Zoom***

***Peter Landon***

Award winning architect, Peter Landon, specializes in public interest design. Peter is recognized for providing creative and human-centered solutions to the challenging task of building affordable housing. His knowledge and expertise as a leading practitioner in this area have been influential as he taught in architectural programs in Chicago and presented at conferences throughout the world.
