## THE GIFT OF MUSIC AT THE LIBRARY

Music connects us, lifts our spirits and inspires creativity. This season, give yourself (or someone you love) the gift of music through the Palm Beach County Library System.

With your Library card, you can stream and download songs through Freegal® or hoopla®, explore music history through online databases or borrow CDs and music books from any branch. Want to make your own music? Visit a CreationStation to record, edit or mix your next track.

Across the county, Library branches host live performances, instrument workshops and community jam sessions where all skill levels are welcome. Whether you're learning a new instrument or rediscovering an old favorite, the Library is your partner in creativity.

Music brings joy, healing and connection, three things we all need more of. Discover how the Library can help you find your rhythm at [www.pbclibrary.org](http://www.pbclibrary.org).

## Pearl Harbor Remembrance Day

December 07 marks Pearl Harbor Remembrance Day, honoring the lives lost and the bravery shown during the attack on the U.S. naval base at Pearl Harbor, Hawaii, in 1941. The surprise assault by Japanese forces led to over 2,400 American deaths and drew the United States into World War II.

This solemn day encourages reflection on sacrifice, resilience and the cost of peace. Across the nation, flags are flown at half-staff, memorials hold ceremonies and survivors share their stories to ensure history is not forgotten.

Explore the Palm Beach County Library System's collections to learn more about World War II history, veterans' accounts and the events that shaped a generation. Visit [www.pbclibrary.org](http://www.pbclibrary.org) for reading lists, documentaries and digital archives that preserve this pivotal moment in history.
